Individual Sponsorship for The Maya Meetings

The Maya Meetings are at the cutting edge of research into the culture of the ancient Maya of Mexico and Central America. This annual conference, which includes lectures, teaching practica, and research workshops, draws scholars as well as the general public to share insights on Maya and Mesoamerican research.

Individual support in the form of a tax-deductible gift will provide for groundbreaking research and activities of the Maya Meetings. The Mesoamerica Center's many achievements would not be possible without the commitment of individuals, corporations, and private foundations committed to understanding and preserving the art and culture of Mesoamerica.

For more information on supporting the Maya Meetings, the Mesoamerica Center, or Casa Herrera, please contact: Andrea Keene at (512) 471-9270 or akeene@austin.utexas.edu.
